ASHRAE RP GOLF 2019 – FENG HUANG SHAN GOLF COURSE

Background:

The mission of ASHRAE is to advance the arts and sciences of heating, ventilating, air conditioning and refrigerating (HVAC&R) to serve humanity and promote a sustainable world. ASHRAE has supported research to improve the quality of life. ASHRAE Research impacts the industry by improving the way HVAC&R systems work, how they are applied and allow development of technical information to create standards and guidelines, which serve as the basis for testing and design practices around the world. Over US\$2 million raised annually to help fund in research projects, education, young engineer programs, ASHRAE Scholarship, etc. Contributions come from more than 7,000 members, non-members, and companies. Please visit www.ashrae.org/rp for more details on ASHRAE Research Promotion.

For fundraising to support ASHRAE research, ASHRAE Hong Kong Chapter will organize an ASHRAE Research Promotion Golf on 3 May 2019 (Friday). All donations from sponsors (after deducting necessary expenses) in this event will be 100% contributed to ASHRAE Research.

Instructions to Participants:

1. Participant must arrive at the assembly place on time. Any person fails to do so shall be refused to participate in the Tournament.
2. During the Tournament, please always keep up with the group in front. If your group cannot keep up with the group in front, the flight leader (player highlighted at the flight schedule) should control the speed of play by all possible means such as by only allowing one practice stroke, stopping players to continue after 3/4/5 over for a particular hole (i.e. double par), forcing ready golf (whoever is ready, hit first), etc. If your group is too slow and forced by the Club Marshall to skip a hole, the whole group would have the score of double par for that hole.
3. If a ball is lost in water or other hazard (yellow or red stakes), the player may, under the penalty of one stroke, drop a ball near the margin of the hazard. However, there must be reasonable evidence that the ball lodged in the hazard. If available, Drop Zone must be used. For ball lost and out of bound, use drop zone or drop the ball at the point of entry with a penalty of ONE stroke.
4. For rules not mentioned in the above, follow the Local Course Rules. For rules not mentioned in the Local Course Rules, follow R & A Rules. If there is any doubt, the ASHRAE RP Committee's decision will be final.
5. All participants are required to place their own insurance against and be full responsible for 3rd parties liabilities, personal accidents / bodily injury and personal properties damage or loss arising from participation in events held by ASHRAE Hong Kong Chapter and shall not claim or hold ASHRAE Hong Kong Chapter responsible for any damage or consequential loss of the aforesaid.
6. Unless typhoon signal no. 8 or the black rainstorm warning is hoisted by 5:00am on that date, please assume that the event will proceed.
7. The event is for fundraising to Research of ASHRAE Headquarter (USA). The donors or sponsors cannot claim any deduction on Hong Kong local salaries tax or profits tax. However, subject to ASHRAE Headquarter, ASHRAE Hong Kong Chapter will issue the following item(s) to the participant in ASHRAE Night if the participant raise a certain amount of donation:-
