

Young Engineer in ASHRAE Mentorship Scheme with Student Branch

Under the pandemic, have you kept equipping yourself to ace an interview and get an ideal job? Do you want to expend your network? ASHRAE is looking for your future success in E&M engineering. Our target mentors are young engineers from different role plays in E&M & the target mentee are students from university/institute. We are keen to share the university journal, industrial information, interview tips and career advice with you all. Let's connect with ASHRAE mentorship to pursue your career goal!
