

Japan Study Tour 2018

20-26 August 2018 (Mon-Sun)

- Jointly organized by: ASHRAE Student Branches in Hong Kong
- Supported by: ASHRAE Hong Kong Chapter
- Tour Activities: Academic visits to universities, technical visits to companies, building projects and government facilities; the students will also attend the ASHRAE Region XIII Chapters Regional Conference in Hong Kong on 17-18 August 2017 to promote academic and professional exchanges.
- Benefits:
- Develop knowledge on Japan and building technologies
 - Enhance skills in organization, people network and creative thinking
 - Understand more about ASHRAE and professional societies
 - Develop international cooperation and cultural exchange
- Who can join: Full-time undergraduate or postgraduate students who are ASHRAE student members or applying for such (www.ashrae.org/students/).
- Study tour fee: HK\$4,500 per person.
- Requirements: The participants are expected to play a proactive role to contribute to the pre- and post-tour activities including preparation meetings, tour arrangement, report writing, post-tour seminars and presentations. Preparation meetings will be held in May-August and a post-tour seminar will be held in September/October.
- Recognition: Appreciation certificates will be presented to the participants to show their achievement and commitment to professional development.
- Application method: Please complete the application form and send it through email to "cmhui@vtc.edu.hk", **on or before 18 May 2017 (Fri)**. You will be asked to submit the fee and other related information if your application is successful. You may be asked to attend a selection interview.
