Time : 9:45 a.m. – 11:30 a.m.

Assembly Point : Yuen Long Business Centre

G/F, 13-17 Fung Nin Road, Yuen Long,  
N.T.

### Visit Highlight

This visit is a joint activity among CIBSE HK Branch, HKIE-BSD and ASHRAE-HKC.

The Green Plus Resort is an approx. 1000 sq. ft exhibition area displaying the practical ways to harness renewable energy technologies as well as energy efficient lighting, air-conditioning and heating systems for outdoor settings. It functions as the showroom to be as valuable resource for commercial and industrial firms that want affordable, tailor-made energy saving solutions. Through the interactive media exhibits, you can learn about the practical applications of energy efficient technologies to set and achieve realistic energy efficiency targets and know more about how the renewable energy technologies can be integrated into your sports activities as well as business operations.

The purpose of this visit is to provide an opportunity for members to have better ideas about the applicable energy efficient and conservation solutions for helping commercial and industrial firms to develop their real-life energy efficient solutions available on them, and the saving on offer.
