

Organizers:

Technical Visit to

CLP Power Quality Workshop & Smart Grid Experience Centre

- Date** : 2 April 2016 (Saturday)
Time : 10:00am to 12:00pm
Venue : G/F, CLP Sham shui po Centre 215 Fuk Wa Street, Sham Shui Po
Fee : Free of charge for members of Organizers

This seminar is a joint activity among CIBSE HK Branch, HKIE-BSD and ASHRAE-HKC.

Programme Highlight

The Power Quality Workshop features exhibits that illustrate the causes of voltage dips and harmonic distortions as well as the corresponding potential impacts on electrical equipment.

The Smart Grid Experience Centre showcases the features and benefits of smart grid together with the latest smart grid-specific technologies such as Smart Meters. It also demonstrates projects currently undertaken by CLP Power in this area.

Registration & Enquiry

For registration, please register ONLINE via website of www.cibse.org.hk. The maximum number of participants is 30. The application will be accepted on a first-come-first-served basis. Vacancy will be distributed even among the three institutions as far as possible. The deadline of application is 24 March 2016 (Wednesday). Name of successful members will be posted on the website of CIBSE www.cibse.org.hk by no later than 30 March 2016. For enquiry, please contact Ir. Vincent MA at 9086-9223.
