

Joint Technical Visit to
A new MTR station at South Island Line (East)

Date, time & venue

2016-10-29; 9:00am to 11:45am; Wong Chuk Hang (Exact details will be confirmed later).
This visit is a joint activity among HKIE-BSD, ASHRAE-HKC and CIBSE-HKB.

Programme Highlight:

South Island Line (East) is a medium-capacity railway connecting the current MTR network from Admiralty Station to the Southern District of Hong Kong, via new stations at Ocean Park, Wong Chuk Hang, Lei Tung and South Horizons. This new rail line is designed with features responding to the transport needs of the community. It will also promote tourism development and economic activities in Southern District.

We will visit the Wong Chuk Hang Depot (WCD) and Wong Chuk Hang Station (WCH). MTR Staff will introduce the Fully Automatic Operation (FAO) and the new customer service model of SIL(E)
