

Technical Visit

Hong Kong Airlines Training Academy (HKATA)

Date : 15 February 2020 (Saturday)

Time : 10:00 – 12:00pm (Assemble time will start at 9:30am, assemble location : TBC)

Venue : Hong Kong Airlines Training Academy (HKATA), 28 Kwo Lo Wan Road, Chek Lap Kok, Lantau

Quota : 20 (First come first serve)

Fee : Free of charge (ASHRAE HKC member)

Visit Highlights:

The 11-storey HKA Training Academy is equipped with advanced flight training facilities, including 12 aircraft simulator bays, an 8-metre-high multi-function training hall and a 25-metre-long heated swimming pool, which are used for evacuation, safety and service trainings for various aircraft types. It is the third facility of its kind on the airport island which combines advanced technology with specially designed training programme to set new safety technology benchmarks for the industry.

The representatives of the HKATA will give an in-depth introduction on energy efficiency, operation and maintenance practice for building services systems. The visit will be divided into two parts whereas the 1st part will be conducted an overview on energy efficiency system from building operations and perform physical visit to different facilities such as Chiller Plant, Cooling Towers and Heat Pump Systems.
