Photography Course for Engineers

Programme Highlights and Course Outline

To raise the status of engineers and the public awareness of engineering projects in Hong Kong, a good photo is the best tool. The Hong Kong Institution of Engineers - Mechanical, Marine, Naval Architecture and Chemical (HKIE-MMNC) Division and ASHRAE Hong Kong Chapter would like to present a course which aims at providing engineers with the essential photography skills and hands on practices to capture photos of engineering projects. The outline of the course is:

- Session 1 Basic Photography (Lens Perspective, Exposure Mode, etc.)
- Session 2 Photography Skills (Composition, Picture Performance, Visual Effects, etc.)
- Session 3 Outing Practices
- Session 4 Photoshop and Image Processing Techniques
- Session 5 Photo Sharing by Engineers
