

Technical Seminar on
Building Energy Code and Energy Audit Code 2018 update

Details

Date :	4 January 2019 (Friday)	Venue :	Chan Yat Mei Sophie Room,
Time :	6:30pm (Registration)		HKIE Headquarters, 9/F
	6:45pm - 8:00pm		Island Beverley, No. 1 Great George Street, Causeway Bay, HK

This seminar is a joint activity of HKIE-BSD, ASHRAE-HKC and CIBSE-HKB.

Programme Outline:

Following the enactment of the Buildings Energy Efficiency Ordinance (BEEO) in 2012, EMSD promulgated their first BEC and EAC in the same year. These two Codes of Practice are reviewed every three years to ensure that they can keep pace with the times. Similar to the last update, EMSD consulted major stakeholders and professional institutions and kept abreast of the latest technology advancement and development of relevant international standards on energy efficiency with ARUP as the consultant engaged in this second review.

This seminar will introduce the two new codes by comparing the uplifted energy efficiency standards and requirements of air-conditioning, lighting, electrical, and lift and escalator installations between BEC 2018 with the previous edition and the enriched content on technical aspects and details on carrying out energy audits under the EAC 2018.

Speaker:

Ir Lawrence LOH – Senior Engineer, Electrical and Mechanical Services Department, HKSAR
Ir Edward SIU – Senior Engineer, ARUP

Medium of instruction:

Cantonese with English Terminology (Q&A session in English & Chinese)

Registration & Enquiry:

This Technical Seminar is free of charge and prior registration is required. For registration, please register [here](#) via the website <https://goo.gl/forms/gLi4Qt6GNrePCuPz1>
The maximum number of participants is 100. Vacancy will be accepted on a first-come-first-served basis and priority will be given to organizer members. Successful members will be informed by confirmation email ONLY no later than 31 December 2018. For enquiry, please contact Ir Sally LEUNG at 9636 8299.
