Joint Student Branch Visit HKJC Shatin Race Course District cooling system

(ASHRAE HK Chapter Joint Student Branch Event)

Sha Tin Racecourse (沙田馬場) is a racecourse of superlatives - the home of the world's richest day of turf racing, the world's first retractable roof over a parade ring, and a Guinness World Record of the world's longest Diamond Vision Television screen in 2003. Major racing events include the LONGINES Hong Kong International Races, the Audemars Piguet QEII Cup, Champions Mile and the BMW Hong Kong Derby, etc.

<u>Objectives</u>: District cooling system will be the highlight of the event. The purpose is to allow students to know more about the operation of various facilities in Racecourse. Student can learn district cooling design and benefit of using district cooling system.
