Main Conference Date: **29-30 October 2015** Thursday - Friday

Venue: **Crowne Plaza Hong Kong Kowloon East**

About Congress 2015

WorldGBC Congress 2015 Hong Kong is co-organised by the Construction Industry Council and the Hong Kong Green Building Council, and fully supported by the World Green Building Council. WorldGBC Congress 2015 will gather top leaders from Green Building Councils worldwide to exchange the latest developments in government policy, technology and research, rating systems and building industry best practices in a global context. The event expects to host around 100 international and regional leaders, as well as 400 local experts. The WorldGBC Congress is a world-renowned global event in the sustainable construction field. Each year, a different city is selected to host this prestigious conference, with Hong Kong demonstrating its green building credentials by hosting it for the first time.
